

WINTER VIEWS FROM ROBERT'S HILL

Sunday, February 11th

2:00 - 4:00 pm, Free

Dimock Street Trailhead

*(across from the Northampton
Country Club in Leeds)*

*Join the Recreation Department & the Northampton
Wildlife Committee on a hike into Robert's Hill*

*Conservation Area. The land abounds with fox, bobcat, and
coyote so we'll do some tracking along the way up to the
top of the hill. This minimally strenuous hike has a
wonderful payoff at the end, an incredible winter view
from the summit.*

Dress appropriately and bring snowshoes if there is snow.

We'll meet at the Dimock Street Trailhead.

Co-sponsored by the Leeds Civic Association. FREE.

For more information call the Recreation Dept at 587-1040 .
